Twelve Point-scoring Events Listed

Board of Faculty Advisers Select Brightwood Driving Park as Field for Athletic Contests.

The board of faculty advisers in athletics in session yesterday decided that the annual inter-high school field and track games should be held at the Brightwood Driving Club on May 19.

There will be twelve point-scoring events open to any bonafide student of the District high schools, as follows: 100yard dash, 220, 440, and 880 yard runs, pole vault, discus and hammer throw, yard hurdle. In addition there will be a one-mile championship relay; and three junior events; a 75-yard dash, running broad jump, and half-mile relay, open to boys sixteen years and under. The conditions of the meet will be practically the same as last year, as will the system of scoring, a first counting 5, a second 3, and a third 1 point.

Besides the above events there will be a special 100-meters race for the beautiful cup presented two years ago by Mr. Fischer, of the Bureau of Standards. Central already has two wins on this trophy, and should it win again this year will become its permanent possessor. Aspirants for honors have been hard at work at the several schools for weeks in preparation for the coming meet, and if condition tells, there should be a hardy bunch of athletes participating at Brightwood.
